Membership Form

Circle of Arts Foundation was established in 2017 by a group of Artists who see Artistic expression as part of the fabric and cycle of Life. Our focus is to create the involvement of community through arts involvement through projects that enrich, through fun and imagination friendships are formed.

We aim to promote and encourage public interest in artists in the general community and to provide a commercial outlet for art and crafts within the aims of the association. We are also focused on creating a space where healing can occur through the experience of creating and sharing art.

Our annual membership cycle runs from 1 July to 30 June each year. The membership fee is \$30.00 per annum per person. For pensioners and students the fee is \$20.00.

Standard membership \$30.00

Pensioner/Student membership \$20.00
